

DAILY DIALOGUE

CREATING MEANINGFUL CONVERSATIONS WITH YOUR CHILD AFTER CHILD CARE

I saw Amy at pick up today, what did she have for lunch?

Focus on friends

Children express themselves easier by talking about their friends.

Tangible items

Mention some items that your child would see or play with at the service, this helps them recall situations.

Those wooden blocks looked fun, what did the kids build with them?

You love our puzzles at home, which one should we bring with you tomorrow?

Connect to their interests

Think about activities your child enjoys at home and see if they can bring them into the service.

Documentation inspiration

Use images or notes from the educators at your service.

Look at this lovely photo of you at the sandpit, what did the sand feel like in your toes?

I wonder what you'd make for lunch if you were cooking tomorrow?

I wonder if...

'I wonder if' questions are a fantastic way to tap into your child's imagination and goals.
